Cranleigh C of E Primary School has been working with Sports Stars since 2014. The coaches work collaboratively with teachers supporting their CPD alongside the delivery of high quality teaching and learning. They have an excellent rapport with the children and through carefully structured lessons develop children's knowledge, skills and understanding.

Sports Stars are an extremely competent and reliable provider of PPA cover at our Primary School. PE sessions are well planned, resourced and develop the skills of all abilities. A wide variety of different sports are covered and taught to a high standard. Ben leads in an enthusiastic and engaging way, forming strong relationships with the children.

Sports Stars UK deliver outstanding sports coaching PPA sessions to our reception, year 1 and year 2 children every week, which in turn has enabled our children to develop and gain their sports skills at a very early age leading to an enjoyment in a variety of sports at an early age. The coaches are integral and valued members of our staff.
